AT&T Inc.

Senior Leadership Roles | 2013 – 2020

Held various leadership roles across AT&T SEO/SEM strategy, AT&T digital marketing, and AT&T Digital Life market intelligence teams, driving \$150M+ revenue growth from 2B+ impressions and 18M+ clicks. Achieved industry-leading efficiency with CTRs peaking at 1.8% and CPC as low as \$0.28, setting performance benchmarks across campaigns. Directed \$10M+ annual budgets and orchestrated multi-agency teams to deliver thousands of high-performing omnichannel campaigns.

Group O Consulting

Vice President, Business Development | 2011 – 2013

Led strategic initiatives delivering \$20M in annual savings while managing \$500M in client business revenue. Oversaw marketing optimization and direct mail programs for AT&T and Fortune 500 clients.

AT&T Inc.

Lead Manager | 1992 – 2011

Held progressively senior roles in Ecommerce, Marketing, and Program Management. Spearheaded digital marketing initiatives generating \$50M+ in revenue, led award-winning sales centers, and built enterprise-wide digital tracking platforms.

Leadership Impact

Executive Influence: Regularly provided actionable intelligence and ROI projections to C-level executives and boards to make high-impact strategic decisions.

Cross-Functional Leadership: Led internal and external teams across marketing, sales, product, analytics, accounting, and legal.

Revenue & ROI Impact: Drove global growth marketing programs informed by deep analytics, producing market leading ROI and accelerating customer acquisition and retention.

Market Strategy: Built and operationalized addressable market segmentation, ABM programs, and consent-driven targeting frameworks that accelerated pipeline growth.

Martech Innovation: Spearheaded martech transformation through platform integration and dashboard development, improving intelligence for optimizing performance.
